

Cotton::ErrorManager  
::signalError

```
graph LR; A[Cotton::ErrorManager::signalError] --> B[printColor]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'Cotton::ErrorManager' on the top line and '::signalError' on the bottom line. The right box is gray with a black border and contains the text 'printColor'. A dark blue arrow points from the right side of the left box to the left side of the right box.
